

Commit Slip

A Commitment

Begin by writing out a commitment: something you would like to remember when returning to civilization. Take your time thinking about it—the deeper into your Getaway you are, the clearer you'll see what needs to be done. Throw this into the fire before leaving and your promise will live on.

A series of horizontal lines for writing, with a vertical dotted line on the left side indicating a fold or binding edge.

COMMIT APPLICATION: In preparation for this retreat, you wrote a permission slip for yourself. Now consider the “Getting Away” Book and your experience during this trip. What are your takeaways? (Don’t throw into the fire :)
