

# ABOUT SUPPORT SERVICE DURING THE EXTENDED SCHOOL BREAK

# SCREEN FREE ACTIVITY

## ➔ Online Resources

OHuddle has created a list of available resources to promote structured time at home during the extended break. For this and each of the

below resources, you can quickly access these resources by opening your phone's camera app and hovering it over the above QR code.

Having difficulty opening the link? Go to [ohuddle.org/parents](http://ohuddle.org/parents)

## ➔ Earn more Prizes

Use this social media frame and tag OHuddle on Facebook to **SHOW US YOUR EXPERIMENT** with your new book!

Each week a winner will be selected and we will drop off a sanitized game or other gift on your front porch!

See all the fun at <https://www.facebook.com/ohuddle.org/>

## ➔ Virtual Club

Boys and Girls Club and OHuddle care about your experience and the resources available to you and your child during this break. If you have a specific need, please allow our team

to be of service. Check out our virtual club resources or contact us below:

**Karrie Foster** (OHuddle Site Coordinator and BGCW Teen Center Site Director) [kfoster@ohuddle.org](mailto:kfoster@ohuddle.org)

Getting outdoors is key to good emotional health.

Join the fun! **Full videos and instructions at: [www.ohuddle.org/nature](http://www.ohuddle.org/nature)**

### Activity #1 AT HOME ASTRONOMY PLANISPHERE:

Learn some of the constellations we can see in the skies above us! Cut the planisphere, attach the circle to the bottom of the rectangle, with the brad. Fold so that the circle can be seen through the hole!

### Activity #2 OUTDOOR MICRO ADVENTURE:

Follow along with Mountain from Camp Nuhop as he guides you on a micro adventure that you can do in your backyard or at a nearby park. Grab your magnifying glass and prepare to get down and dirty. Materials: magnifying glass, 1meter long string, ruler (printout), [sites.google.com/nuhop.org/at-home-outdoor-education/micro-hike](http://sites.google.com/nuhop.org/at-home-outdoor-education/micro-hike)

### Activity #3: OUTDOOR BINGO:

Sharpen your estimation skills and choose your challenge. You'll need to use measuring devices to make some wild discoveries about basic questions; how many? how much? how far? and how long? Materials: Estimation Bingo Sheet, watch or timer, 1 meter ruler

### Activity #4 COLOR CARDS

Nature's creativity knows no limits! It is truly spectacular the different colors we can find when we look carefully. For this activity, get outside and try to find some amazing examples of how nature paints her creations in a rainbow of colors. Materials: Paint samples, optional camera to record findings
