

CASE MANAGE

Details about OHuddle / Encompass Case Management

OHuddle
MENTORS

SERVICE

Sometimes mentorship service uncovers a student's mental health needs. OHuddle's goal is to always have responsive partnerships to assist youth. As such, we have formed a partnership with Encompass to fill therapeutic service gaps as needed. At the school's discretion, identified OHuddle students may be referred for a clinical intake with accompanying CPST support.

**CASE MANAGEMENT**
Christian Counseling

OHuddle provides 1:1 mentorship to breathe value into our students during the school day.

OHuddle also partners with Encompass Counseling to ensure that students with mental health needs have responsive service. Case managers provide therapeutic, behavioral, and academic support services as recommended by a Clinical Counselor. Other services provided by Case Managers are ongoing assessment of needs, assistance in achieving personal independence in managing basic needs, coordination and assistance in crisis management and stabilization, advocacy and outreach, education and training specific to the needs of the client and family, and attends wrap around meetings.

**OHUDDLE ENCOMPASS
CASE MANAGER**

STEVIE TABELLION
tabellions@ccho.org

Stevie holds a BA from Kent State University in Human Development and Family Studies with a concentration in Family Life Education. Her experience with children ranges from early childhood to late adolescence. She has supervised youth as a manager, coach and volunteer with special needs athletes. Her hobbies include travel and raising ducks, chickens and turkeys.

DEFINITIONS

MENTOR	Serves students with long term relationship
MH THERAPIST	Clinical provider diagnosing and treating
CASE MANAGER	Practices life skills recommended by counselor, transports, connects resources

FAQ'S

Q: HOW DO I REFER A STUDENT FOR ENCOMPASS SERVICE?

A: Alert Site Coordinator to set up an intake session at the school. Sessions are 1 hour in length and require a parent to attend. Only Medicaid insurance is eligible for Case Management. Only the school can refer for service in school.

Q: I HAVE ANOTHER MENTAL HEALTH AGENCY SERVING MY DISTRICT....

A: It is always the school's choice to decide which student to refer to which agency. If an agency has a full roster or does not provide CPST service, Encompass may be available to fill gaps with regard to student need at no cost to the school. Encompass Case managers can also serve students being served by other agencies if a plan is agreed upon by partners.

Q: HOW CAN CASE MANAGERS HELP OVER THE SUMMER?

A: Case Managers can continue to check in with home visits, taking students to appointments, and assisting with paperwork, safety checks, and constructive time outside of the home. Case managers work with families to minimize the impact of mental health symptoms and, through OHuddle, can loop communication back to the school.

ABOUT THE PARTNERSHIP

OHuddle / Encompass Case Managers serve OHuddle mentored students during and outside of school day to supplement clinical service.

By partnering with a responsive mental health provider, OHuddle's goals are to (1) Ensure that mentorship is kept relational and long term with responsive systems, and (2) to take the burden off of the schools with over-identification that can come from mentorship.

Although we may refer directly for service of unserved students over the summer or outside of the school day, school counselors continue to be the gatekeepers deciding which students are referred to which agencies. We seek to continue this system, with a layer of options for instances in which other supports are needed.
