BEING FAITH BASED

OHuddle is a non-denominational faith-based organization. We operate under Separation of Church and State guide during school hours and in the school buildings. OHuddle encourages our mentors to show their faith through connection and acceptance, not by proselytizing.

We offer a Monday night youth group at Cornerstone School from 6-7:30PM with a ministry director and volunteers who offer a family-style meal, biblical message, and activities for those who attend. If your mentee asks about youth group, let the site coordinator know so he/she can follow up on their request. We must have separate permission from parent/legal guardian. Students can walk, be dropped off by parent/guardian, or be picked up and dropped off at home with our bus (they must live close to Cornerstone).

DO: Operate with our faith-based values. Show love, grace, and compassion when mentoring. Be non-judgmental about your student's faith path. If asked, a direct question about your faith, answer it truthfully to your level of comfort.

DON'T: Teach Bible verses, give your child a Bible or religious literature, try to encourage a student to come to your church.

By signing below, I agree to refrain from proselytizing in my school-based mentorship

CONTACTING YOUR STUDENT

For your safety and that of our students, please coordinate all correspondence through your site coordinator. Students should not have your phone number and should not be friends with you on Facebook. Calls may be made through the Site Coordinator. It's very important to keep the mentor relationship boundaried so that it can be long lasting!

DO: Like OHuddle's Facebook page and share out a story of impact!
<https://www.facebook.com/ohuddle.org/>

DON'T: Call or transport your student. Don't share your address, phone number, or social media accounts with your student.

I Agree to refrain from contacting my student except through OHuddle Staff. I will not transport my student.
