SCREEN FREE ACTIVITY

➔ Online Resources

OHuddle has created a list of available resources to promote structured time at home during the extended break. For this and each of the

below resources, you can quickly access these resources by opening your phone's camera app and hovering it over the above QR code.

You have been doing lots of reading for school over these past weeks. Do you remember the last book you LOVED to read?

Sometimes where you read can make a big difference!

Reading outside, next to a stuffed animal, or in a place all your own can change your reading experience. This book is just for fun. Try to see if you can create a reading corner or new reading environment to spark a love of reading.

Did you know that you can access any book online for free with your library card?

Just go to www.overdrive.com/apps/libby/ to get started!

Research shows us that students who read for pleasure do better in all of their other subjects, become stronger leaders, and show more empathy (caring for others).

Try to take things a step further and become the author of your own book. Write about your experiences during the extended school break. Put it in a plastic bag and bury it in your yard.

Who knows who will find it someday! Your words could become history!

Be sure to come by in future weeks for more screen free activities. **Here is our upcoming giveaway schedule:** www.ohuddle.org/structured-time
